

Yateley Common

Nature Trail

Dragonfly

Take this rubbing sheet and some wax crayons with you when you visit. Along the trail you'll find eight plaques that have an image of a plant, bird, animal or insect that might be found on heathlands like Yateley Common. Rub carefully over each plaque with your crayon to transfer the image onto the sheet.

Heather

Snake

Nightjar

Bat

Dartford
Warbler

Toadstool

Gorse
